

Guidance on applying for a BiH passport

Embassy of Bosnia and Herzegovina issues passports to citizens of Bosnia and Herzegovina residing abroad for more than three months, or to those who have resided abroad for less than three months in case that their passport has expired, or was otherwise destroyed, damaged, stolen or lost. A damaged passport should be submitted to the Embassy, and destroyed, lost, or stolen passports must be reported following the instructions located on the Embassy's website: "[Report a lost, stolen or a destroyed passport](#)".

A passport is a document that establishes the bearer's identity and nationality. It is issued with a validity period of 10 years or with a validity period of 5 years for children who have not yet reached the age of 7.

The standard processing time for a passport is 30 days, while the statutory requirement is 60 days from the date of application.
